- (c) The waiver of any condition relating to any representation, warranty, covenant, or obligation will not affect the right to indemnification, payment, reimbursement, or other remedy based upon such representation, warranty, covenant, or obligation.

10.2 Indemnification.

From and after the date of the Closing, each Party, as applicable (the "**Indemnifying Person**"), shall indemnify and hold the other relevant Parties and their respective directors, officers and agents (collectively, the "**Indemnified Person**") harmless from and against any losses, claims, damages, liabilities, judgments, fines, obligations, expenses and liabilities of any kind or nature whatsoever, including but not limited to any investigative, legal and other expenses incurred in connection with, and any amounts paid in settlement of, any pending or threatened legal action or proceeding, and any taxes or levies that may be payable by such person by reason of the indemnification of any indemnifiable loss hereunder (collectively, "**Losses**") resulting from or arising out of: (i) the breach of any representation or warranty of the Indemnifying Person contained in the Transaction Documents, or (ii) the violation or nonperformance, partial or total, of any covenant or agreement of the Indemnifying Person contained in the Transaction Documents. In calculating the amount of any Losses of an Indemnified Person hereunder, there shall be subtracted the amount of any insurance proceeds and third-party payments received by the Indemnified Person with respect to such Losses, if any. For the avoidance of doubt, the obligations of the Sellers hereunder shall be several and not jointly and in proportion to its, his or her, as applicable, respective number of Shares sold to the total number of Shares sold. Notwithstanding anything to the contrary, none of the Sellers shall be entitled to seek indemnification from any other Seller or from the Sellers' Representative.

10.3 Third-Party Claims.

- (a) The Indemnified Person shall give notice of the assertion of a Third-Party Claim to the Indemnifying Person; provided, however, that no failure or delay on the part of an Indemnified Person in notifying an Indemnifying Person will relieve the Indemnifying Person from any obligation under this Section 10 except to the extent that the failure or delay materially prejudices the defense of the Third-Party Claim by the Indemnifying Person.
- (b) (i) Except as provided in Section 10.3(c), the Indemnifying Person may elect to assume the defense of the third-party claim with counsel satisfactory to the Indemnified Person by (a) giving notice to the Indemnified Person of its election to assume the defense of the Third-Party Claim and (b) giving the Indemnified Person evidence acceptable to the Indemnified Person that the Indemnifying Person has adequate financial resources to defend against the Third-Party Claim and fulfill its obligations under this Section 10, in each case no later than 10 days after the Indemnified Person gives notice of the assertion of a Third-Party Claim under Section 10.3(a).

32

(ii) If the Indemnifying Person elects to assume the defense of a Third-Party Claim: (A) it shall diligently conduct the defense and, so long as it diligently conducts the defense, shall not be liable to the Indemnified Person for any Indemnified Person's fees or expenses subsequently incurred in connection with the defense of the Third-Party Claim other than reasonable costs of investigation, (B) the election will conclusively establish for purposes of this Agreement that the Indemnified Person is entitled to relief under this Agreement for any loss arising, directly or indirectly, from or in connection with the Third-Party Claim, (C) no compromise or settlement of such Third-Party Claim may be effected by the Indemnifying Person without the Indemnified Person's consent unless (I) there is no finding or admission of any violation by the Indemnified Person of any Laws or any rights of any Person, (II) the Indemnified Person receives a full release of and from any other claims that may be made against the Indemnified Person by the Third Party bringing the Third-Party Claim, and (III) the sole relief provided is monetary damages that are paid in full by the Indemnifying Person, and (D) the Indemnifying Person shall have no liability with respect to any compromise or settlement of such claims effected without its consent.

(iii) If the Indemnifying Person does not assume the defense of a Third-Party Claim in the manner and within the period provided in Section 10.3(b)(i), or if the Indemnifying Person does not diligently conduct the defense of a Third-Party Claim, the Indemnified Person may conduct the defense of the Third-Party Claim at the expense of the Indemnifying Person and the Indemnifying Person shall be bound by any determination resulting from such Third-Party Claim or any compromise or settlement effected by the Indemnified Person.

- (c) Notwithstanding the foregoing, if an Indemnified Person determines in good faith that there is a reasonable probability that a Third-Party Claim may adversely affect it or any Affiliate other than as a result of monetary damages for which it would be entitled to relief under this Agreement, the Indemnified Person may, by notice to the Indemnifying Person, assume the exclusive right to defend, compromise, or settle such Third-Party Claim.
- (d) Notwithstanding the provisions of Section 12.12, the Parties consent to the nonexclusive jurisdiction of any court in which a proceeding is brought against any Indemnified Person for purposes of determining any claim that an Indemnified Person may have under this Agreement with respect to such proceeding or the matters alleged therein.
- (e) With respect to any Third-Party Claim subject to this Section 10.3: (i) any Indemnified Person and any Indemnifying Person, as the case may be, shall keep the other Person fully informed of the status of such Third-Party Claim and any related proceeding at all stages thereof where such Person is not represented by its own counsel, and (ii) both the Indemnified Person and the Indemnifying Person, as the case may be, shall render to each other such assistance as they may reasonably require of each other and shall cooperate in good faith with each other in order to ensure the proper and adequate defense of any Third-Party Claim.

33

- (f) In addition to Section 11, with respect to any Third-Party Claim subject to this Section 10.3, the Parties shall cooperate in a manner to reserve in full (to the extent possible) the confidentiality of all confidential information and the attorney-client and work product privileges. In connection therewith, each Party agrees that: (i) it shall use its best efforts, in respect of any Third-Party Claim in which it has assumed or participated in the defense, to avoid production of confidential information (consistent with applicable Law and rules of procedure) and (ii) all communications between any Party and counsel responsible for or participating in the defense of any Third-Party Claim shall, to the extent possible, be made so as to preserve any applicable attorney-client or work-product privilege.
- (g) Any claim under this Section 10.3 for any matter involving a Third-Party Claim shall be indemnified, paid, or reimbursed promptly. If the Indemnified Person shall for any reason assume the defense of a Third-Party Claim, the Indemnifying Person shall reimburse the Indemnified Person on a monthly basis for the costs of investigation and the reasonable fees and expenses of counsel retained by the Indemnified Person.

10.4 Indemnitee Negligence.

The provisions in this Section 10 shall be enforceable regardless of whether the liability is based upon past, present or future acts, claims or Laws and regardless of whether any Person (including the Person from whom relief is sought) alleges or proves the sole, concurrent, contributory, or comparative negligence of the Person seeking relief, or the sole or concurrent strict liability imposed upon the person seeking relief.

10.5 Limitation on Indemnification.

Each Seller's liability to Wowo or the Purchaser for any Losses arising under Section 10 shall in no event exceed fifty percent (50%) of the amount equal to the sum of the implied value of the Share Consideration on the date of the Closing and the Cash Consideration, in each case, received by such Seller.

Wowo and the Purchaser's liability to the Sellers for any Losses arising under Section 10 shall in no event, in aggregate, exceed fifty percent (50%) of the amount equal to the sum of the implied value of the Shares received by the Purchaser.

 - (ii) information the disclosure of which is necessary in order to comply with any applicable Law, the order of any court, the requirements of a stock exchange or to obtain tax or other clearances or consents from any relevant authority; or

The Disclosing Party shall, to the extent possible and with the cooperation and reasonable efforts of the other Party, seek a protective order, confidential treatment or other appropriate remedy. In such event, the Disclosing Party shall furnish only that portion of the information which is legally required to be disclosed and shall exercise reasonable efforts to obtain reliable assurance that confidential treatment will be accorded to such information.

11.5 Other Information.

12. **Miscellaneous**

12.1 Fees and Expenses.

The Purchaser agrees to indemnify and to hold harmless the Sellers from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of the Transactions (and the costs and expenses of defending against such liability or asserted liability) for which the Purchaser or any of its officers, directors, partners, employees, agent or representatives is responsible. The Sellers, severally and not jointly and in proportion to its, his or her, as applicable, respective number of Shares sold to the total number of Shares sold, agree to indemnify and hold the Purchaser harmless from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of the Transactions (and the costs and expenses of defending against such liability or asserted liability) for which such Seller or, with respect a Seller that is not an individual, any of its officers, directors, partners, employees, agents or representatives is responsible.

12.3 Sellers' Representative.

Each Seller has appointed Ms. Xiaoxia Zhu and Ms. Huimin Wang as his, her or its representatives (the "**Sellers' Representative**") with full power and authority to consummate the Transactions (including the execution of the Transaction Documents).

This appointment and grant of power and authority is coupled with an interest and is in consideration of the mutual covenants made in this Agreement and is irrevocable and will not be terminated by any act of any Seller or by operation of law, whether by the death or incapacity of any Seller or by the occurrence of any other event. Each Seller here by consents to the taking of any and all actions and the making of any decisions required or permitted to be taken or omitted by Sellers' Representative pursuant to this Section 12.3.

Each Seller hereby agrees, acknowledges and confirms that any amount of payment by or on behalf of the Purchaser into the bank account as designated by the Sellers' Representative shall constitute full performance and discharge of the Purchaser's obligation, as applicable, to pay such amount to such Seller under this Agreement.

The Purchaser and Wowo shall be entitled to rely upon any document or other paper delivered by Sellers' Representative as being authorized by the Sellers, and the Purchaser or Wowo shall not be liable to any Seller for any action taken or omitted to be taken by the Purchaser or Wowo based on such reliance.

12.5 Further Assurances.

The Parties will (a) execute and deliver to each other such other documents and (b) do such other acts and things as a Party may reasonably request for the purpose of carrying out the intent of this Agreement, the Transactions, and the documents to be delivered pursuant to this Agreement.

12.6 Entire Agreement.

This Agreement supersedes all prior agreements, whether written or oral, between the Parties with respect to its subject matter (including any letter of intent and, upon the Closing, any confidentiality obligation to which the Purchaser is subject) and constitutes a complete and exclusive statement of the terms of the agreement between the Parties with respect to the subject matter of this Agreement.

12.7 Modification.

This Agreement may only be amended, supplemented, or otherwise modified by the Purchaser and the Sellers' Representative in writing.

12.8 Assignments and Successors.

12.9 No Third-Party Rights.

Other than the Indemnified Persons and the Parties, no Person will have any legal or equitable right, remedy, or claim under or with respect to this Agreement. This Agreement may not be amended or terminated, and any provision of this Agreement may be waived, without the consent of any Person who is a Party to the Agreement (and in the case of the Sellers, the Sellers' Representative).

The rights and remedies of the Parties under this Agreement are cumulative and not alternative.

12.11 Governing Law.

This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to the principles of conflicts of law thereof.

12.12 Dispute Resolution.

Any dispute, controversy or claim arising out of or relating to this Agreement, or the interpretation, breach, termination or invalidity thereof, shall, so far as it is possible, be settled by arbitration in accordance with the UNCITRAL Arbitration Rules as at present in force and as may be amended by the rest of this Section 12.12. 12.14 Enforcement of Agreement.

Each Party acknowledge and agree that the other Party would be irreparably harmed if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement by such Party could not be adequately compensated in all cases by monetary damages alone. Accordingly, each Party agrees that, in addition to any other right or remedy to which the other Party may be entitled at law or in equity, such Party shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to obtain temporary, preliminary, and permanent injunctive relief to prevent breaches or threatened breaches, without posting any bond or giving any other undertaking.

Wowo agrees that it shall take all actions necessary to cause the Purchaser to perform all its obligations under this Agreement. If the Purchaser fails to perform any of its obligations hereunder, Wowo shall immediately perform such obligations on behalf of the Purchaser, including the Purchaser's obligations to consummate the Transactions contemplated herein and to make payments pursuant to the terms hereof. Wowo further agrees that the Sellers are entitled to enforce such terms in this Agreement applicable to the Purchaser against Wowo if the Purchaser fails to comply with such terms.

12.15 No Waiver.

Neither any failure nor any delay by any Party in exercising any right, power, or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power, or privilege, and no single or partial exercise of any such right, power, or privilege will preclude any other or further exercise of such right, power, or privilege or the exercise of any other right, power, or privilege. To the maximum extent permitted by applicable Law, (a) no claim or right arising out of this Agreement or any of the documents referred to in this Agreement can be waived by a Party, in whole or in part, unless made in a writing signed by such Party or the Sellers' Representative on behalf of a Seller, (b) a waiver given by a Party will only be applicable to the specific instance for which it is given, and (c) no notice to or demand on a Party will (i) waive or otherwise affect any obligation of that Party or (ii) affect the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the documents referred to in this Agreement.

2. REGISTRATION RIGHTS

2.1 Request for Registration.

- (a) If the Company shall receive at any time a written request from the Rights Holders of at least ten percent (10%) of the Registrable Securities then outstanding that the Company file a registration statement under the Securities Act with an anticipated aggregate offering price (before deduction of underwriting discounts, commissions and expenses) of at least US\$10,000,000, then the Company shall, within ten (10) days of the receipt thereof, give written notice of such requests to all Rights Holders and shall, subject to the limitations of subsection 2.1(b), use its best efforts to file as soon as practicable, and in any event within ninety (90) days of the receipt of such requests, a registration statement under the Securities Act covering all Registrable Securities which the Rights Holders request to be registered within twenty (20) days of the mailing of such notice by the Company.
- (b) If the Rights Holders initiating the registration request hereunder (“**Initiating Holders**”) intend to distribute the Registrable Securities covered by their request by means of an underwriting, they shall so advise the Company as a part of their request made pursuant to this Section 2.1 and the Company shall include such information in the written notice referred to in subsection 2.1(a). The underwriter will be selected by a majority in interest of the Initiating Holders and shall be reasonably acceptable to the Company. In such event, the right of any Rights Holder to include its Registrable Securities in such registration shall be conditioned upon such holder’s participation in such underwriting and the inclusion of such Registrable Securities in the underwriting (unless otherwise mutually agreed by a majority in interest of the Initiating Holders and such holder) to the extent provided herein. All Rights Holders proposing to distribute their securities through such underwriting shall (together with the Company as provided in subsection 2.4(e)) enter into an underwriting agreement in customary form with the underwriter or underwriters of internationally recognized standing selected for such underwriting reasonably acceptable to the holders of at least a majority of the voting power of all Registrable Securities proposed to be included in such registration. Notwithstanding any other provision of this Section 2.1, if the underwriter advises the Initiating Holders in writing that marketing factors require a limitation of the number of shares to be underwritten, then the Initiating Holders shall so advise all holders of Registrable Securities which would otherwise be underwritten pursuant hereto, and the number of shares of such Registrable Securities that may be included in the underwriting shall be allocated among all participating Rights Holders thereof, including the Initiating Holders, in proportion (as nearly as practicable) to the amount of Registrable Securities owned by each participating Rights Holder; provided, however, that the number of shares of Registrable Securities to be included in such underwriting shall not be reduced unless all other Company Securities are first entirely excluded from the underwriting; provided further that any Initiating Holder shall have the right to withdraw its request for registration from the underwriting by written notice to the Company and the underwriters delivered at least ten (10) days prior to the effective date of the registration statement, and such withdrawal request for registration shall not be deemed to constitute one of the registration rights granted pursuant to this Section 2.1. If any Rights Holder disapproves the terms of any underwriting, such holder may elect to withdraw therefrom by written notice to the Company and the underwriters delivered at least ten (10) days prior to the effective date of the registration statement. Any Registrable Securities excluded or withdrawn from such underwritten offering shall be withdrawn from the registration. To facilitate the allocation of shares in accordance with the above provisions, the Company or the underwriters may round the number of shares allocated to a Rights Holder to the nearest one hundred (100) shares.

5

- (c) Notwithstanding the foregoing, if the Company shall furnish to Rights Holders requesting a registration statement pursuant to this Section 2.1, a certificate signed by the Chief Executive Officer of the Company stating that in the good faith judgment of the Board of Directors of the Company, it would be seriously detrimental to the Company and its shareholders for such registration statement to be filed and it is therefore essential to defer the filing of such registration statement, the Company shall have the right to defer such filing for a period of not more than one hundred twenty (120) days after receipt of the request of the Initiating Holders; provided, however, that the Company may not utilize this right more than once in any 12-month period; provided further that during such one hundred twenty (120)-day period, the Company shall not file any registration statement pertaining to the public offering of any Company Securities.
- (d) In addition, the Company shall not be obligated to effect, or to take any action to effect, any registration pursuant to this Section 2.1:

- (i) after the Company has effected six (6) registrations pursuant to this Section 2.1 and such registrations have been declared or ordered effective;

6

- (ii) in response to the demand for registration by any Initiating Holder or any of its Affiliates pursuant to this Section 2.1, after the Company has effected two (2) registrations pursuant to such Initiating Holder's or its Affiliate's demand for registration pursuant to this Section 2.1 and such registrations have been declared or ordered effective;
- (iii) during the period starting with the date ninety (90) days prior to the Company's good faith estimate of the date of filing of, and ending on a date ninety (90) days after the effective date of, a registration subject to Section 2.2 hereof; provided that the Company is actively employing in good faith its best efforts to cause such registration statement to become effective and that the Holders are entitled to join such registration in accordance with Section 2.2 hereof; or
- (iv) if the Initiating Holders propose to dispose of shares of Registrable Securities that may be immediately registered on Form F-3 pursuant to a request made pursuant to Section 2.3 below.

2.2 Piggyback Registration.

If (but without any obligation to do so) the Company proposes to register (including for this purpose a registration effected by the Company for shareholders other than the Rights Holders) any of Company Securities under the Securities Act in connection with the public offering of such securities solely for cash (other than a registration relating solely to the sale of securities to participants in a Company share option, share purchase or similar plan or a transaction covered by Rule 145 under the Securities Act, a registration in which the only shares being registered are Ordinary Shares issuable upon conversion of debt securities which are also being registered, or any registration on any form which does not include substantially the same information as would be required to be included in a registration statement covering the sale of the Registrable Securities), the Company shall, at such time, promptly give each Rights Holder written notice of such registration. Upon the written request of each Rights Holder given within twenty (20) days after mailing of such notice by the Company in accordance with Section 3.5, the Company shall, subject to the provisions of Section 2.7, use its best efforts to cause to be registered under the Securities Act all of the Registrable Securities that each such Rights Holder has requested to be registered. Registration pursuant to this Section 2.2 shall not be deemed to be a demand registration as described in Section 2.1 above. If a Rights Holder decides not to include all or any of its Registrable Securities in such registration by the Company, such Rights Holder shall nevertheless continue to have the right to include any Registrable Securities in any subsequent registration statement or registration statements as may be filed by the Company with respect to offerings of Company Securities, all upon the terms and conditions set forth herein. There shall be no limit on the number of times the Rights Holders may request registration of Registrable Securities under this Section 2.2.

7

2.3 Form F-3 Registration.

The Company shall use its best efforts to qualify for registration on Form F-3. In case the Company shall receive from any Rights Holder or Rights Holders of not less than twenty percent (20%) of the Registrable Securities then outstanding a written request or requests that the Company effect a registration on Form F-3 or any comparable or successor form and any related qualification or compliance with respect to all or a part of the Registrable Securities owned by such Rights Holder(s), the Company shall:

- (a) promptly give written notice of the proposed registration, and any related qualification or compliance, to all other Rights Holders; and
- (b) use its best efforts to effect, as soon as practicable, such registration and all such qualifications and compliances as may be so requested and as would permit or facilitate the sale and distribution of all or such portion of such Rights Holder's or Rights Holders' Registrable Securities as are specified in such request, together with all or such portion of the Registrable Securities of any other Rights Holders joining in such request as are specified in a written request given within 15 days after receipt of such written notice from the Company; provided, however, that the Company shall not be obligated to effect any such registration, qualification or compliance, pursuant to this Section 2.3:
 - (i) if Form F-3 is not available for such offering by the Rights Holders;
 - (ii) if the Rights Holders intend to sell Registrable Securities at an aggregate price to the public (after the deduction of any underwriters' discounts or commissions) of less than US\$500,000;
 - (iii) if the Company shall furnish to the Rights Holders a certificate signed by the Chief Executive Officer of the Company stating that in the good faith judgment of the Board of Directors of the Company, it would be seriously detrimental to the Company and its shareholders for such Form F-3 Registration to be effected at such time, in which event the Company shall have the right to defer the filing of the Form F-3 registration statement for a period of not more than one hundred twenty (120) days after receipt of the request of the right Holder(s) under this Section 2.3; provided, however, that the Company shall not utilize this right more than once in any 12-month period; provided further that during such one hundred twenty (120)-day period, the Company shall not file any registration statement pertaining to the public offering of any Company Securities ; or
 - (iv) if, within the 12-month period preceding the date of such request, the Company has already effected two (2) registrations on Form F-3 for the Rights Holders pursuant to this Section 2.3; or (v) during the period ending one hundred eighty (180) days after the effective date of a registration statement subject to Section 2.2; provided that the Rights Holders are entitled to join such registration in accordance with Section 2.2 hereof.

8

- (c) Subject to the foregoing, the Company shall file a registration statement covering the Registrable Securities as soon as practicable after receipt of the request or requests of the Rights Holders. Registrations effected pursuant to this Section 2.3 shall not be counted as demands for registration or registrations effected pursuant to Sections 2.1 or 2.2, respectively. Subject to the Section 2.3(b), there shall be no limit on the number of times the Rights Holders may request registration of Registrable Securities under this Section 2.3.

2.4 Obligations of the Company.

Whenever required under this Article 2 to effect the registration of any Registrable Securities, the Company shall, as expeditiously as reasonably possible:

- (a) Prepare and file with the SEC a registration statement with respect to such Registrable Securities, and use its best efforts to cause such registration statement to become effective, and, upon the request of the Rights Holders of a majority of the Registrable Securities registered thereunder, keep such registration statement effective for up to ninety (90) days or until the distribution described in such registration statement is completed, if earlier. In the case of any registration of Registrable Securities on Form F-3 which are intended to be offered on a continuous or delayed basis, such ninety (90)-day period shall be extended, if necessary, to keep the registration statement effective until all such Registrable Securities are sold, provided that Rule 415, or any successor rule under the Securities Act, permits an offering on a continuous or delayed basis, and provided further that applicable rules under the Securities Act governing the obligation to file a post-effective amendment permit, in lieu of filing a post-effective amendment that (i) includes any prospectus required by Section 10(a)(3) of the Securities Act or (ii) reflects facts or events representing a material or fundamental change in the information set forth in the registration statement, the incorporation by reference of information required to be included in (i) and (ii) above to be contained in periodic reports filed pursuant to Section 13 or 15(d) of the Exchange Act in the registration statement.
- (b) Prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement for up to ninety (90) days or until the distribution described in such registration statement is completed, if earlier.
- (c) Furnish to the Rights Holders such numbers of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned by them.
- (d) Use its best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Rights Holders, provided that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

9

- (e) In the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing underwriter of such offering. Each Rights Holder participating in such underwriting shall also enter into and perform its obligations under such an agreement.
- (f) Notify each Rights Holder of Registrable Securities covered by such registration statement at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, or if in the opinion of counsel for the Company it is necessary to supplement or amend such prospectus to comply with law, and at the request of any such Rights Holder promptly prepare and furnish to such Rights Holder a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, as thereafter delivered to the purchasers of such securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances under which they were made or such prospectus, as supplemented or amended, shall comply with law.
- (g) Cause all such Registrable Securities registered pursuant hereunder to be listed on each securities exchange on which similar securities issued by the Company are then listed.
- (h) Provide a transfer agent and registrar for all Registrable Securities registered pursuant hereunder and a CUSIP number for all such Registrable Securities, in each case not later than the effective date of such registration.
- (i) Use its best efforts to furnish, at the request of any Rights Holder requesting registration of Registrable Securities pursuant to this Article 2, on the date that such Registrable Securities are delivered to the underwriters for sale in connection with a registration pursuant to this Article 2, if such securities are being sold through underwriters, (i) an opinion, dated such date, of the counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters and (ii) a letter dated such date, from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters.

- (k) If (i) the Company determines that it is not a WKSI, (ii) the registration statement is required to be kept effective in accordance with this Agreement, and (iii) the registration rights of the applicable Rights Holders have not terminated, promptly amend the registration statement onto a form the Company is then eligible to use or file a new registration statement on such form, and keep such registration statement effective in accordance with the requirements otherwise applicable under this Agreement.

The Company shall have no obligation with respect to any registration requested pursuant to Section 2.1 or Section 2.3 of this Agreement if, as a result of the application of the preceding sentence, the number of shares or the anticipated aggregate offering price of the Registrable Securities to be included in the registration does not equal or exceed the number of shares or the anticipated aggregate offering price required to originally trigger the Company’s obligation to initiate such registration as specified in subsection 2.1(a) or subsection 2.3(b), whichever is applicable.

2.6 Expenses of Registration.

- (a) Demand Registration. All expenses (other than underwriting discounts and commissions and ADS issuance and stock transfer taxes and fees) incurred in connection with registrations, filings or qualifications pursuant to Section 2.1 for each Rights Holder (which right may be assigned as provided in Section 2.11), including (without limitation) all registration, filing and qualification fees, printers’ and accounting fees, fees and disbursements of counsel for the Company, and the reasonable fees and disbursements of one counsel for the selling Rights Holders selected by them with the approval of the Company, which approval shall not be unreasonably withheld, shall be borne by the Company. If the total amount of the Company Securities, including Registrable Securities, requested by shareholders to be included in such offering exceeds the amount of securities that the underwriters determine in their sole discretion is compatible with the success of the offering, then the Company shall be required to include in the offering only that number of such Company Securities, including Registrable Securities, which the underwriters determine

in their sole discretion will not jeopardize the success of the offering (the securities so included to be apportioned pro rata among the selling shareholders according to the total amount of securities entitled to be included therein owned by each selling shareholder or in such other proportions as shall mutually be agreed to by such selling shareholders) but in no event shall (i) the amount of Registrable Securities of the selling Rights Holders included in the offering be reduced below twenty-five percent (25%) of the total amount of the Registrable Securities included in such offering, or (ii) any other Company Securities held by any shareholder other than the selling Rights Holders be included if any Registrable Securities held by any selling Rights Holders are excluded. For the avoidance of doubt, the rights of Rights Holders to be included in such an offering shall be pari passu with each other. For purposes of the preceding parenthetical concerning apportionment, for any selling shareholder which is a Rights Holder or which is a venture capital fund, partnership or corporation, the partners, retired partners, the affiliated venture capital funds and shareholders of such Rights Holder, or the estates and family members of any such partners and retired partners and any trusts for the benefit of any of the foregoing persons shall be deemed to be a single “selling shareholder,” and any pro-rata reduction with respect to such “selling shareholder” shall be based upon the aggregate amount of shares carrying registration rights owned by all entities and individuals included in such “selling shareholder,” as defined in this sentence. If any Rights Holder disapproves the terms of any underwriting, the Rights Holder may elect to withdraw therefrom by written notice to the Company and the underwriters delivered at least ten (10) days prior to the effective date of the registration statement. Any Registrable Securities excluded or withdrawn from the underwritten offering shall be withdrawn from the registration.

2.8 Delay of Registration.

No Rights Holder shall have any right to obtain or seek an injunction restraining or otherwise delaying any such registration as the result of any controversy that might arise with respect to the interpretation or implementation of this Article 2.

2.9 Indemnification.

In the event any Registrable Securities are included in a registration statement under Article 2:

13

- (a) To the extent permitted by law, the Company will indemnify and hold harmless each Rights Holder, any underwriter (as such term is defined in the Securities Act) for such Rights Holder and each Person, if any, who controls such Rights Holder or underwriter within the meaning of the Securities Act or the Exchange Act, against any losses, claims, damages, or liabilities (joint or several) to which they may become subject under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (collectively a “Violation”): (i) any untrue statement or alleged untrue statement of a material fact contained in such registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto, (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading, or (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law; and the Company will pay to each such Rights Holder, underwriter or controlling Person, as incurred, any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability, or action; provided, however, that the indemnity agreement contained in this subsection 2.9(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability, or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld), nor shall the Company be liable to any Rights Holder, underwriter or controlling Person for any such loss, claim, damage, liability, or action to the extent that it arises solely out of or is based solely upon a Violation which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by any such Rights Holder, underwriter or controlling Person.
- (b) To the extent permitted by law, each selling Rights Holder that has included Registrable Securities in a registration will, severally and not jointly, indemnify and hold harmless the Company, each of its directors, each of its officers who has signed the registration statement, each Person, if any, who controls the Company within the meaning of the Securities Act, any underwriter, any other Rights Holder selling securities in such registration statement and any controlling Person of any such underwriter or other Rights Holders, against any losses, claims, damages, or liabilities (joint or several) to which any of the foregoing Persons may become subject, under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages, or liabilities (or actions in respect thereto) arise out of or are based upon any Violation, in each case to the extent (and only to the extent) that such Violation occurs in reliance upon and in conformity with written information furnished by such Rights Holder expressly for use in connection with such registration; and each such Rights Holder will pay, as incurred, any legal or other expenses reasonably incurred by any Person intended to be indemnified pursuant to this subsection 2.9(b), in connection with investigating or defending any such loss, claim, damage, liability, or action; provided, however, that the indemnity agreement contained in this subsection 2.9(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Rights Holder, which consent shall not be unreasonably withheld; provided, that in no event shall any indemnity under this subsection 2.9(b) plus any amount under subsection 2.9(d) exceed the net proceeds from the offering out of which such Violation arises received by such Rights Holder, except in the case of willful fraud by such Rights Holder.

14

- (c) Promptly after receipt by an indemnified party under this Section 2.9 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 2.9, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the Parties; provided, however, that an indemnified party (together with all other indemnified Parties which may be represented without conflict by one counsel) shall have the right to retain one separate counsel, with the reasonable fees and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action, if prejudicial to its ability to defend such action, shall relieve such indemnifying party of any

liability to the indemnified party under this Section 2.9 to the extent the indemnifying party is prejudiced as a result thereof, but the omission so to deliver written notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party otherwise than under this Section 2.9.

- (d) If the indemnification provided for in this Section 2.9 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, liability, claim, damage or expense referred to therein, then the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such loss, liability, claim, damage, or expense in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions that resulted in such loss, liability, claim, damage or expense as well as any other relevant equitable considerations; provided, that in no event shall any contribution by a Rights Holder under this subsection 2.9(d) plus any amount under subsection 2.9(b) exceed the net proceeds from the offering received by such Rights Holder, except in the case of willful fraud by such Rights Holder. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission.

15

- (e) Notwithstanding the foregoing, to the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control.
- (f) The obligations of the Company and Rights Holders under this Section 2.9 shall survive the completion of any offering of Registrable Securities in a registration statement under this Article 2, and otherwise.

2.10 Reports Under the Exchange Act.

With a view to making available to the Rights Holders the benefits of Rule 144 promulgated under the Securities Act and any other rule or regulation of the SEC that may at any time permit a Rights Holder to sell securities of the Company to the public without registration or pursuant to a registration on Form F-3, the Company agrees to:

- (a) make and keep public information available, as those terms are understood and defined in SEC Rule 144, at all times after ninety (90) days after the effective date of the first registration statement filed by the Company for the offering of its securities to the general public so long as the Company remains subject to the periodic reporting requirements under Sections 13 or 15(d) of the Exchange Act;
- (b) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act; and
- (c) furnish to any Rights Holder, so long as the Rights Holder owns any Registrable Securities, forthwith upon request (i) a written statement by the Company that it has complied with the reporting requirements of SEC Rule 144 (at any time after the effective date of the first registration statement filed by the Company), the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements), or that it qualifies as a registrant whose securities may be resold pursuant to Form F-3 (at any time after it so qualifies), (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested in availing any Rights Holder of any rule or regulation of the SEC which permits the selling of any such securities without registration or pursuant to such form.

16

2.11 Assignment of Registration Rights.

The rights to cause the Company to register Registrable Securities pursuant to this Article 2 may be assigned (but only with all related obligations) by a Rights Holder to a transferee or assignee (i) of at least 100,000 shares of such securities (as adjusted for share splits, share combinations, share dividends and the like) (or if the transferring Rights Holder owns less than 100,000 shares of such securities, then all Registrable Securities held by the transferring Rights Holder), (ii) that is a subsidiary, Affiliate, parent, partner, limited partner, retired partner, member, retired member and/or shareholder of a Rights Holder, (iii) that is an affiliated fund or entity of the Rights Holder, which means with respect to a limited liability company or a limited liability partnership, a fund or entity managed by the same manager or managing member or general partner or management company or by an entity controlling, controlled by, or under common control with such manager or managing member or general partner or management company, (iv) who is a Rights Holder's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, sibling, cousin, nephew, niece, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law (such a relation, a Rights Holder's "**Immediate Family Member**", which term shall include adoptive relationships), or (v) that is a trust for the benefit of an individual Rights Holder or such Rights Holder's Immediate Family Member, provided the Company is, within a reasonable time after such transfer, furnished with written notice of the name and address of such transferee or assignee and the securities with respect to which such registration rights are being assigned; and provided, further, that such assignment shall be effective only if the transferee agrees to be bound by this Agreement and immediately following such transfer the further disposition of such securities by the transferee or assignee is restricted under the Securities Act. For the purposes of determining the number of shares of Registrable Securities held by a transferee or assignee, the holdings of transferees and assignees of (x) a partnership who are partners or retired partners of such partnership, or (y) a limited liability company who are members or retired members of such limited liability company (including Immediate Family Members of such partners or members who acquire Registrable Securities by gift, will or intestate succession) shall be aggregated together and with the partnership or limited liability company; provided that all assignees and transferees who would not qualify individually for assignment of registration rights shall have a single attorney-in-fact for the purpose of exercising any rights, receiving notices or taking any action under Article 2.

2.12 No Registration Rights to Third Parties.

Except otherwise provided in Section 2.11, from and after the date of this Agreement, the Company shall not, without the prior written consent of all Rights Holders of Registrable Securities then outstanding, the Company covenants and agrees that it shall not grant, or cause or permit to be created, for the benefit of any person or entity any registration rights of any kind (whether similar to the demand, “piggyback” or Form F-3 registration rights described in this Section 2, or otherwise) relating to any securities of the Company which are senior to, or on a parity with, those granted to the Rights Holders in this Agreement.

2.13 Termination of Registration Rights.

No Rights Holder shall be entitled to exercise any right provided for in this Article 2 during any period that Rule 144 under the Securities Act is available for the sale of all of such Rights Holder’s shares without registration without volume or manner of sale limitation.

3. **MISCELLANEOUS**

3.7 Severability.

If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement will remain in full force and effect. The award shall be final and binding on the parties to the arbitration.

19

3.12 Rights Cumulative; Specific Enforcement.

Each and all of the various rights, powers and remedies of a Party will be considered to be cumulative with and in addition to any other rights, powers and remedies which such Party may have at Law or in equity in the event of the breach of any of the terms of this Agreement. Without limiting the foregoing, the Parties acknowledge and agree irreparable harm may occur for which money damages would not be an adequate remedy in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement.

3.13 Further Assurances.

Upon the terms and subject to the conditions herein, each Party agrees to use its reasonable best efforts to take or cause to be taken all action, to do or cause to be done, to execute such further instruments, and to assist and cooperate with the other Party in doing, all things necessary, proper or advisable under applicable Laws or otherwise to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by this Agreement.

Neither any failure nor any delay by any party in exercising any right, power, or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power, or privilege, and no single or partial exercise of any such right, power, or privilege will preclude any other or further exercise of such right, power, or privilege or the exercise of any other right, power, or privilege. To the maximum extent permitted by applicable laws, (a) no claim or right arising out of this Agreement or any of the documents referred to in this Agreement can be waived by a Party, in whole or in part, unless made in a writing signed by such Party; (b) a waiver given by a Party will only be applicable to the specific instance for which it is given; and (c) no notice to or demand on a Party will (i) waive or otherwise affect any obligation of that Party or (ii) affect the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement.

3.15 Delays or Omissions.

No delay or omission to exercise any right, power or remedy accruing to any Party under this Agreement, upon any breach or default of any other Party under this Agreement, shall impair any such right, power or remedy of such non-breaching or non-defaulting Party nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Unless otherwise expressly provided hereunder, any waiver, permit, consent or approval of any kind or character on the part of any Party of any breach or default under this Agreement, or any waiver on the part of any Party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing.

This Agreement and other documents to be delivered pursuant to this Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy and all of which, when taken together, will be deemed to constitute one and the same agreement or document, and will be effective when counterparts have been signed by each of the parties and delivered to the other parties.

A manual signature on this Agreement or other documents to be delivered pursuant to this Agreement, an image of which shall have been transmitted electronically, will constitute an original signature for all purposes. Dear Ms. Huimin Wang:

You hereby agree that, without the prior written consent of the Company's board of directors, you will not, directly or indirectly, offer, pledge, lend, sell, contract to sell, grant any option to purchase, purchase any option or contract to sell, make any short sale, request the Company to file a registration statement with respect to, or otherwise dispose of that number of the Lock-Up Shares, provided that:
