Ms. Xiaoxia Zhu, Chairman and Chief Executive Officer of the Company, commented, “Xiao Nan Guo’s strategic investment in the Company highlights customers’ confidence in the great potential and promising opportunities of the Company, its B2B e-commerce platform and its unique business model. Our business model not only provides a globalized online marketplace for the catering industry but also integrates supply chains into the operating systems of suppliers and customers. The Company provides customers using its online platform with professional purchasing experiences and other value-added services such as logistics services and supply chain financing.”

Ms. Huimin Wang, Chairman of Xiao Nan Guo, commented, “After the divestiture of its non-food related service to concentrate on B2B food and catering services in China and other countries, the Company has been attracting great attention in the domestic market in China. We look forward to more in-depth strategic collaboration with the Company on developing supply chain management systems as well as a comprehensive purchasing supply chain service covering storage, logistics and purchasing. The Company’s platform helps suppliers separate sales from production and purchasers to manage the supply chain, which ultimately allows its suppliers and customers to allocate greater resources to upgrade their production and operations.”

Established in 1987, Xiao Nan Guo holds and operates a chain of businesses including restaurants that offer premium Chinese cuisine, western cuisine, desserts, beverages, BBQs, spas, and hotels. In addition to its own brands, Xiao Nan Guo has introduced a number of international foodservice brands to China. Cooperating with Oreno Corporation, a renowned restaurant group from Japan, Xiao Nan Guo has launched the “My Michelin Chef” series of restaurants in China. Xiao Nan Guo also introduced Pokka Café, which is Hong Kong’s first chain restaurant that offers home-baked premium coffee, to mainland China. Furthermore, Xiao Nan Guo also brought into China a western restaurant Oscar Chef, named after its legendary founder Mr. Wolfgang Puck who is known as the “First Chef of California”. Additionally, Xiao Nan Guo has been cooperating with Schussler Creative, Inc. for the establishment of The BOATHOUSE, a theme restaurant in Disneytown in Shanghai Disney Resort which is anticipated to open on June 16, 2016. Keeping abreast of the market trend, Xiao Nan Guo focuses on asset-light investments and operation strategies to promote its brands and improve its supply chain and Internet applications.
